

I Can See Clearly Now:
Chapter #11

The Prophet Zechariah

Time of ministry: 520 B.C.

Author:

The prophet Zechariah whose name can be translated as "*The LORD Yahweh Remembers*" was born into a priestly family and most likely was a priest himself. This priestly position would make him familiar with the "*Written Law*" and teachings of the "*Prophets of Yahweh*" who had been called before him to deliver the word of *Father God*.

The prophet Zechariah started his life in Babylon as the son of an "*Exile*", because of this situation he had only known a Hebrew life that was restricted by laws and regulations that were Babylonian.

The prophet Zechariah was a contemporary of Haggai Zerubbabel and Joshua and because of the motivational *Prophesy* from *Yahweh* he developed a close relationship with all of them. They all became willing and *enthusiastic* leaders in the movement to return "*The Remnant*" to Israel so that the rebuilding of the walls of their homes and *The Temple of Yahweh* would be undertaken and completed.

The author of the *Bible book* of Zechariah was Zechariah, but the authorship of the last section of the book is questioned by some men because of what they call "a difference in writing style". This *Prophetic Bible book* is under attack from *misguided* men using (Textual Criticism), they question the *correctness* of this book just as they have done to other books in the *Holy Bible*.

Note:

Because of this questioning of authenticity and correctness of *Bible* books, they are sometime subjected to some form of (Textual Tradition) such as (Textual Criticism) where the content of the *Bible book* is "*nit-picked*" as to the "*correctness*" of dates and authorship of the *Bible* book in question.

In the use of *Textual Criticism*, the educated "*Inquisitors*" look for *errors* in the "*Accepted*" modern-day translations of the *Holy Bible*.

They use as their "*correct source documents*" two *Greek* manuscripts, they are titled the (Codex Sinaiticus) and the (Codex Vaticanus).

These "*highly*" *educated* men believe only they can read correctly and understand the small number of existing old *Greek* manuscripts.

These manuscripts are the same *Greek* manuscripts that are considered "*Aberrant*" (a deviation – in error or mistaken) by most *knowledgeable Bible scholars*. *Old Greek manuscripts* whose authorship is *questionable*, books that may or may not be *correct* or *complete*!

Textual Criticism is just one of the *Textual Traditions* that have been adopted by so called "*Educated*" men, who mistakenly think and feel they can and should decide what truly belongs in the *Holy Bible*. The men who want to correct "*errors*" in the *Holy Bible* are religiously educated "*High Thinkers*" that for the most part have *good intentions* as they "*Take Apart*" the *Holy Bible* by *questioning* the *correctness* of dates and authorship of *Bible* books.

Is the Holy Bible Totally Correct and Complete?

The “*Worldly*” educated men who question the *correctness* of *Scripture* forget or do not know that the words in the *Holy Bible* books they question are the *Inspired Words “Breathed”* by *The Holy Spirit* into men who were chosen by *Father God* to record --- *His Wisdom!*

This “*Ego*” driven *eroding* of the foundation of “*Christian Faith*” is done with little or no regard for the damage that is inflicted on the “*Necessity*” for “*The Total Correctness*” of the *Holy Bible*. They are men that only want to prove how *intelligent* they are, they have failed to see that any *so-called “error”* in *Scripture* can be used by *Satan* and *secular nonbelievers* to question the *authenticity* and *correctness* of the entire *Holy Bible*.

Thankfully today we are “*Blessed*” with the “*Power*” of “*The Helper*” *The Holy Spirit*, who on the day of “*Pentecost*” made *Biblical Wisdom* available to all men and women who read the *Holy Bible* with *prayer* and an open *childlike* mind that is willing to listen to *His* teaching

Anyone who thinks that it is of little consequence to *undermine* the *soundness* of the *Holy Bible* is sadly mistaken. They are by their lack of “*Belief*” and “*Faith*” quenching and diminishing the “*Power*” of *The Holy Spirit*.

Today we see a growing number of smallminded *self-important “Educated”* men that tend to forget *The Holy Spirit* they *diminish* is the same “*With us Now*” third person of --- “*The Holy Trinity of Eternal God*”!

Is this --- “*The Great Falling Away*”?

I was shocked and surprised last week to find found out that the Supreme Court of the United States had used “*Textual Interpretation*” (using the modern definitions of words) to rule on the definition of the word “*sex*” as per discrimination in the work place.

This ruling was accomplished using “*Textual Interpretation*” rather than using “*Realistic Interpretation*” that on the other hand would have used the *original* and *accepted “Biblical definition”* of the word “*sex*” .

Now with this new ruling all “*sexual orientations*” are protected by “*Federal Law*” and blocking them from any “*female or male only*” event or organization is a violation of *Federal Law*.

This is the end result of what happens when *supposedly educated* men use methods like (Textual Interpretation) and (Textual Criticism) to *change redefine* and *weaken* the “*Complete and Correct*” words of *Wisdom* that are recorded in the *Holy Bible!*

The black robed *inquisitors* at the Supreme Court have used (Textual Interpretation) to change the “*Biblical definition*” of the word “*sex*” and then use the power of *Federal Law* to *attack* and *weaken* the *Holy Bible*.

It is a recorded historical “*Fact*” that the men who *Painstakingly Perfected* the original documents that formed the “*Foundation*” of our Nation used “*The Holy Bible*” as their “*Correct Source Document*” to determine the “*definition of words*”!

Now because of this misguided Supreme Court ruling I fully understand just how *dangerous* and *destructive “Textual Criticism”* is to the *Christian Faith* and our *Nation*, *this is only the start!* The *Fundamental “Total Correctness and Completeness”* of the *Holy Bible* must be strongly “*Defended*” by all *Christian Believers*.

I “*Pray*” that other men and women will *wake up* and *speak up* to stop this *secular attack* on the *Holy Bible* and the resulting *spiritual* and *moral decay* of our *Christian Faith* and *Nation!*
